## ARTWORK REQUIREMENTS

Please read the following guidelines and item related specifications (attached) carefully:

Providing print-ready files means we do not have to do any rework prior to printing.

If the files do need any editing from our side or the specifications and guidelines were not met, we have to charge additional costs and cannot take any responsibility for the print-quality and a timely delivery.

- Artwork to be provided as **pdf-file** only
- Artwork with **crop marks** and **bleed (1:1 10mm, 1:10 1mm)** – **NO OTHER MARKS OR INFORMATION (color bar)**
- All **fonts** should be **converted to path** (Type/Create Outlines)
- Colour definition: Use **Pantone** for colours / logos / letters that need exact colour reproduction, otherwise CMYK (images, ...).
- Print resolution 1:1 (75 - 150 dpi) or 1:10 (150 - 1500 dpi)  
An optimum resolution of 75 dpi for all banners and 150 dpi for all other items will be needed. For very large banners or banners visible from a large distance a resolution of 30 dpi (1:10 300 dpi) might be sufficient.

### Filetransfer

- Online file transfer: Upload-folder will be provided

### Deadline

The order has to be placed by **July 31st 2018**.

**The print-ready files have to be received and approved by September 4, 2018.**

No liability assumed for files that arrive later than that date unless explicitly agreed otherwise.

Print sample only on request. The deadline is binding, unless explicitly agreed otherwise.

### Colour definition

**No liability assumed for colours that are not defined in Pantone colour mode.**

**PLEASE CONSIDER THAT ALL FILES/CONTENT NEEDS TO BE APPROVED BY IBO!**
